

Mizetta Winston Auxiliary

In 1982, Brother J.S. Winston, Sr. who was the only living co-founder of Southwestern Christian College, established the J.S. Winston Sound Doctrine Foundation. The primary purpose of this foundation is to perpetuate Christian Education and sound doctrine teaching. The Sound Doctrine foundation gives assistance to ministerial students and other SwCC Students are majoring in Bible and Religious Education.

At the Annual J.S. Winston Sound Doctrine Foundation Luncheon November 22, 1998, Sister Claudia Washington and Sister Olivia Holt presented the idea of organizing an auxiliary in memory of Sister Mizetta Winston. Sister Winston was the wife of the renown evangelist, Brother J.S. Winston, Sr. The proposal was enthusiastically accepted by the board of trustees and they agreed that the group would be designated as the "Mizetta Winston Auxiliary."

The Auxiliary will be dedicated to the support of the Sound Doctrine Foundation in its efforts to help Southwestern Christian College become a strong, viable Christian Education Institution. The primary goals of the organization will be to :

1. Sponsor various fund raising projects for the Sound Doctrine Foundation.
2. Assist the foundation with any campaigns launched to enhance the growth and stability of the college.
3. Encourage young people to attend SwCC.
